BMW Sauber F1 Team Collection 2007. PUMA for BMW Sauber F1 Team Collection 2007.

17 exciting races are waiting for the BMW Sauber F1 Team in 2007. One of them takes place in Monte Carlo. The legendary city circuit promises to be a great challenge, as always – after all, it's considered the hardest race of the season. With the BMW Sauber F1 Team Collection, you'll be able to feel some of the excitement of this race even now.

The crowd is milling about ... excitement fills the air ... riding on the breeze, there is the distant roar of engines ... the scents of the harbour mix with those of petrol ... the ground shakes ... vibrations ... you feel them everywhere ... the tension is tangible ... expressed in the sounds ... in the city ... in ourselves?

“The Essence of Racing.”

"The first corner, the Sainte-Dévote, has a very uneven road surface.
Judge it right, brake at the right time, and then off, past the Hotel Beau Rivage."

“In the Portier corner, it’s very easy to catch the inside kerb.
Throws you slightly off course. Then next thing, it’s the spectacular

“Into the Grand Hotel hairpin – the slowest corner in all of Formula 1. Ideal chances for a successful overtaking manoeuvre. Just brake, and pass on the inside.”
